Wonderful pool home in the highly desirable Green Valley neighborhood. Open concept living with volume ceilings and well-placed windows that let in plenty of natural light. The family room features a built-in, ceiling fan, and French door that opens to the pool. Kitchen offers a stainless-steel appliance package, moveable island, and Silestone quartz counters. Just off the kitchen is a great den/office with built-in cabinets and desk. Upgrades include stone pattern tile flooring, blinds, ceiling fans, and raised panel doors. Practical touches like a 2017 Trane AC, programmable thermostat, 2021 Bosch dishwasher, solar screens, and storage sheds add convenience. The backyard is a true highlight with a sparkling pool, sheer descent waterfall, new synthetic lawn, and a covered patio. All this plus nearby shopping, dining, recreation, and the Pittman Trail make this home easy to love.
